

CLOPAY COMMERCIAL - MODELS 906, 906U

architectural series

Clopay®

SLEEK ALUMINUM FULL-VIEW DOORS

Clopay Model 906 is available with a sleek panel design offering fewer lines and angles. The proportional rail and stile profiles, along with equal spacing, provide an aesthetically pleasing appearance. This sleek door is ideal in applications such as restaurants, auto dealerships and fire stations. In addition to these features, Model 906U features Intellicore® polyurethane insulated rails and stiles while still maintaining the sleek look.

C-POWER™ ENABLED CLICK-TO-CONCEAL™ PANEL OPTIONS

Using discreet power and integrated technology to eliminate visible wires between sections, this film allows glass to transform from clear to opaque with a click of the remote. This option instantly shifts spaces from public to private, adapting to daylight, and enhancing visual security.

- Glazing Options – 5/8" Insulated Tempered Glazing and 5/16" Laminated Glazing
- Film Colors – White Opaque and Gray Opaque
- UV Protection – 99% UV Blocking
